

Legal Addendum

This Legal Addendum supplements Ascenda Enterprise Capital LLC's ("AEC") Terms of Service and Privacy Policy. It covers AI tool disclosures, dispute resolution, a summary of data practices, user-generated content liability, and trading risk allocation. This document should be read alongside AEC's full Terms of Service, Privacy Policy, and Risk Disclosure Statement.

1. AI-ASSISTED TOOLS & CONTENT DISCLOSURE

Ascenda Enterprise Capital LLC ("AEC") uses artificial intelligence tools, including an AI-powered chat assistant, in connection with this website and related services. Interactions with any chat assistant on this site are with an automated system, not a human representative, unless explicitly stated otherwise. AI tools may also be used in the research, drafting, or formatting of website content, market commentary, and internal documentation.

AI-generated or AI-assisted content is reviewed by AEC personnel but may contain errors or limitations inherent to automated systems. No AI tool used by AEC provides investment advice, and no output from any AI system should be construed as a personalized recommendation, guarantee, or offer to buy or sell any security.

2. BINDING ARBITRATION & CLASS ACTION WAIVER

Any dispute, claim, or controversy arising out of or relating to this website, any AEC service, or any agreement between you and Ascenda Enterprise Capital LLC shall be resolved exclusively through binding arbitration administered by the American Arbitration Association ("AAA") under its Commercial Arbitration Rules, rather than in court.

Arbitration shall take place in Atlanta, Georgia, unless otherwise agreed in writing by both parties. The arbitrator's decision shall be final and binding, and judgment may be entered in any court of competent jurisdiction.

You and AEC each waive any right to a jury trial and to participate in a class action, class arbitration, or representative action. All claims must be brought in an individual capacity only.

This clause does not apply to claims that, by law, cannot be subject to mandatory arbitration.

3. PRIVACY AT A GLANCE

The following table summarizes AEC's data practices in plain language. Full details are available in AEC's complete Privacy Policy.

4. USER-GENERATED CONTENT

Any comments, testimonials, forum posts, chat messages, or other content submitted by users to this website (“User Content”) reflect the views of the individual submitter only and do not represent the views, opinions, or endorsement of Ascenda Enterprise Capital LLC.

AEC does not pre-screen all User Content and is not responsible or liable for its accuracy, legality, or reliability. AEC reserves the right, but assumes no obligation, to monitor, edit, or remove any User Content at its sole discretion, for any reason, without notice.

By submitting User Content, you represent that you have the right to do so and agree to indemnify AEC against any claims arising from your submission.

5. TRADING RISK & SOLE ACCOUNT RESPONSIBILITY

All trading activity — whether executed manually by the account holder, by AEC on the account holder's behalf, or through any automated or algorithmic system including AEC's proprietary Quantum Trading System — involves substantial risk of loss, up to and including total loss of the account balance.

The account holder bears sole and complete responsibility for all trading losses, regardless of whether trades were placed manually or through automated/bot-driven execution. Ascenda Enterprise Capital LLC, its founder, employees, and affiliates assume no liability for losses, margin calls, account liquidation, or any other adverse outcome resulting from trading activity on any account, whether such activity was initiated by the account holder or by any system provided or recommended by AEC.

By engaging in any trading activity in connection with AEC, the account holder acknowledges and accepts this risk in full and waives any claim against AEC for trading losses absent a showing of fraud or willful misconduct by AEC.

This Legal Addendum is provided for informational purposes and should be reviewed by qualified legal counsel prior to formal adoption or publication. It does not constitute legal advice.
