

Growth & Expansion Capital Contribution

A non-repayable capital contribution to Ascenda Enterprise Capital LLC — not a loan, not a security offering. No repayment obligation, no equity conferred.

CONTRIBUTION TIERS & BENEFITS

TIER	RANGE	BENEFITS
SEED	\$100,000 – \$999,999	Founding Investor Registry · Quarterly updates · AEC merchandise
GROWTH	\$1,000,000 – \$9,999,999	All Seed benefits · Advisory seat consideration · Revenue share consideration · Priority standing on future equity opportunities
ANCHOR	\$10,000,000+	All Growth benefits · Board consideration · Direct founder access · Named recognition as a founding capital partner

USE OF FUNDS

Trading Infrastructure	Computing & data capacity behind AEC's Quantum Trading System
Trading Capital	Additional working capital for active trading operations
Exploratory Research	Early-stage PE/healthcare sector research — exploratory, not current operations
Compliance & Ops	Continued legal, compliance, and institutional infrastructure build-out

ALL CONTRIBUTORS ALSO RECEIVE

- ☐ Direct, ongoing communication with AEC's founder and leadership
- ☐ Quarterly written updates on firm progress and milestones
- ☐ First opportunity on any future formal equity or fund vehicle

KEY TERMS

Non-repayable · No equity or ownership conferred · Benefits are non-monetary and do not constitute a return on investment · Not an offer to sell securities · AEC is not registered as an investment adviser with the SEC or any state authority · Contributors should consult independent legal and tax counsel before proceeding
