

Risk Disclosure Statement

Ascenda Enterprise Capital LLC · Atlanta, GA · izaiah@ascendaenterprisecapital.com

DRAFT DOCUMENT -- NOT FOR INVESTOR USE. This document is a working draft pending review by qualified securities counsel. It has not been finalized and must not be sent to, signed by, or relied upon by any prospective or actual investor until that review is complete.

This Risk Disclosure Statement is provided to all prospective investors of Ascenda Enterprise Capital LLC. You must read, understand, and acknowledge this document before making any investment decision. This statement does not disclose all risks -- it highlights the primary risk factors associated with an investment in AEC.

1. LOSS OF CAPITAL

Investing in Ascenda Enterprise Capital LLC involves a high degree of risk, including the potential for total and permanent loss of all capital invested. There is no guarantee of return of principal or any profit. Prospective investors should only invest capital they can afford to lose entirely.

2. SPECULATIVE NATURE

AEC engages in speculative trading strategies across global markets including equity index futures, commodities, and individual equities. These instruments are highly leveraged and can result in losses that exceed the initial amount invested in certain structures.

3. NATURE OF PERFORMANCE DATA -- BACKTESTED, NOT LIVE

AEC's trading system remains in research and development. Performance figures referenced in AEC materials -- including \$30,216,582.87 in simulated P&L; across 102,373 backtested trades at a 45.5% win rate -- reflect historical backtesting only: a computational simulation run against one year of historical price data. These figures are NOT live trading results, have NOT been independently audited, and are NOT verified by any third-party trade-tracking platform. No investor or firm capital has been placed at risk to produce these figures. AEC's live activity to date consists of paper trading (simulated capital) only. Backtested performance is inherently limited: it cannot fully capture live execution slippage, psychological trading factors, or changing market conditions, and it should be weighted accordingly. Backtested performance, live performance, or any other performance data referenced by AEC does not indicate or guarantee any future result.

4. NO REGISTRATION

Ascenda Enterprise Capital LLC is not registered as an Investment Adviser with the Securities and Exchange Commission (SEC) or any state securities authority. AEC is not a member of FINRA or SIPC. Investors do not receive the protections afforded to clients of registered investment advisers.

5. ILLIQUIDITY RISK

Capital committed to AEC may not be readily redeemable. Withdrawal terms, if any, will be defined in the formal subscription agreement. Investors should be prepared to have their capital illiquid for extended periods.

6. CONCENTRATION RISK

AEC's trading strategies may concentrate positions in a limited number of instruments or sectors. This concentration increases exposure to adverse price movements in those specific instruments.

7. OPERATIONAL RISK

AEC is an early-stage investment firm with no live investor capital deployed to date. Risks include key-person dependency (Izaiah Cottle as sole Managing Member), technology failures, the risks inherent in operating a new investment entity, and the absence of any established, live, multi-year institutional track record.

8. REGULATORY RISK

Changes in applicable laws, regulations, or tax treatment could adversely affect AEC's operations, strategy, or the tax treatment of investor returns.

9. NO GUARANTEE

Nothing in any AEC communication, website, document, or representation by AEC personnel should be construed as a guarantee of any specific return or outcome. All forward-looking statements are speculative and subject to change.

10. ACCREDITED INVESTORS ONLY

Investment in AEC is available exclusively to Accredited Investors as defined under SEC Regulation D, Rule 501, and Qualified Institutional Buyers under Rule 144A. By investing, you represent and warrant that you meet these criteria.
